

October 2018

Dear Coordinator,

I am writing to inform you that the next NHW coordinators meeting will be held on:

Tuesday 11th December

6 – 7:30pm

AT SKIPTON POLICE STATION

As always there is no obligation to attend as we are already grateful for the continuing support you give us by being coordinators, having extra eyes and ears out and about are a great asset for us to have.

We have a guest speaker booked – one of our colleagues from the Probation Services will be giving us an insight into the role they have, including the work they do with offenders.

There will also be a chance for just a general catch up with each other over a brew and mince pies.

For those of you that are attending if you come to the **front door** of the police station from 5:45pm onwards then PCSO Emily Crossley or I will meet you.

Look forward to seeing you there.

Many thanks,

Ruth Pearson
