Hi Ruth,

To clarify what is meant by the Groups reference to 'votes' these are the responses looked at on an Informal document, not formally assessed by the Neighbourhood Planning Group.

We are also attaching the Informal Public Consultation - May/June 2015 comment form.

The Responses Form (attached) was an informal document recording results and forming the ranking to go forward with the more formal process.

I am also attaching a copy of page 1 of the Minutes of the Gargrave Neighbourhood Plan Working Group dated Wednesday 24 June 2015 setting out the Resident's feedback following the Village Engagement event on 30 May 2015 with initial analysis shown which refers to the 113 responses.

I confirm that the Highways Report referred to by the MRWG was received as part of Reg 14 Responses and is included in Table 3 Developers and Landowners page 23.
