

Gargrave Draft Neighbourhood Development Plan

Informal Public Consultation – May / June 2015.

Comments Form

Gargrave Parish Council has decided to prepare a Neighbourhood Development Plan for the Parish. This plan will be used to help determine planning applications alongside the Craven Local Plan and national planning policy. The plan will support development which is sustainable, aspirational and appropriate to Gargrave's attractive setting and character. This is your first opportunity to comment on the emerging draft planning policies and options for site allocations (ie those places where it is considered new development is acceptable). Please refer to the Draft Neighbourhood Development Plan and let us have your comments and ideas by completing this form and returning it by 15th June. Your comments are very important to us, and will help us to revise and finalise the Draft Plan for the next, formal public consultation.
