Ruth/Parish Council

I have noticed that the amended table attached to the email below appears to omit the following representations referred to in tables 4.1 and 4.2 attached to the Consultation Statement;

Supported all sites -9.5, 50.1,66.1 and 67.1,

Also 9.1 is counted twice.

Please could the Parish confirm these errors and correct the table and forward to me.

Please forward to the correct person at the Parish if this email address is not correct.

I would appreciate a response in 5 working days from this email.

regards

Robert
