

## Final External Auditor Report and Certificate 2021/22 in respect of Gargrave Parish Council NY0217

### Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2022; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

### External auditor report 2021/22

On 28 September 2022, we issued a report detailing the results of our limited assurance review of Sections 1 and 2 of this authority's Annual Governance & Accountability Return for the year ended 31 March 2022. We explained that we were unable to certify completion of the review at that time. We are now in a position to certify completion of the review.

The external auditor report given in Section 3 of the Annual Governance & Accountability Return requires amendments as follows:

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Section 1, Assertion 3 has been incorrectly completed. Information received from the internal auditor indicates that standing orders and financial regulations have not been formally adopted. As a result, this assertion should have been answered 'No'.

Section 1, Assertions 5 and 6 have been incorrectly completed. The smaller authority has confirmed that Assertion 5 should have been answered 'No' rather than Assertion 6. Matters were raised by the internal auditor in the Annual Internal Audit Report and their detailed report in respect of risk management and the smaller authority has recognised this issue and committed to taking action to rectify the position.

The AGAR was not accurately completed before submission for review. Please ensure that amendments are corrected in the prior year comparatives when completing next year's AGAR:

- Section 2, Box 2, the annual precept, does not agree to the figure published by the precepting authority. The figures in Boxes 2 and 3 should read £46,000 and £98,938 respectively.

Other matters not affecting our opinion which we draw to the attention of the authority:

The smaller authority has confirmed that it has not complied with the governance assertions in Section 1, Boxes 2 & 5 but as noted above, answered 'No' to Assertions 2 and 6 on the Annual Governance Statement in error. The smaller authority has provided the appointed auditor with an adequate explanation for non-compliance with Assertion 2 and 5 and details of the actions necessary to address weaknesses identified. These matters were also raised by the internal auditor in the completion of the Annual Internal Audit Report and their detailed report.

### **External auditor certificate 2021/22**

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance & Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2022.
